

Summer at  
**St. Patrick's**  
ENGAGE • WONDER • CREATE

# A Note from Our Director

Dear Families,

This fall, we were thrilled to relocate and expand our middle school program to include Grades 6, 7, and 8 at our new building at 4590 MacArthur Boulevard, NW. The newly built-out facility, at almost 19,000 square feet in size, has become an exciting location for teaching and learning. This summer, we will undergo significant construction on our Whitehaven Campus. Consequently, Summer at St. Patrick's will be headquartered on our bright and spacious MacArthur Campus. We are pleased to offer a range of programs in intimate group settings for children entering Kindergarten to Grade 8 in swimming, art, chess, Legos, counselor-in-training, literature, STEAM, Spanish, world cultures, and D.C. exploration. Children's curiosity and friendships will blossom under the nurturing supervision of St. Patrick's faculty who serve as head counselors and St. Patrick's alumni who serve as assistant counselors. In addition, instructors in partnership with Isabella & Ferdinand Spanish, CodeRev, and Chess Griot will lead children through a summer of engagement, wonder, and creativity. We look forward to your child joining us as we build a summer of unforgettable memories together.

With Warm Regards,

Rhia Hamilton, Ed.D.  
Director of Auxiliary Programs

**Summer at St. Patrick's** strives to create an inviting summer community that develops and encourages the intellectual, social-emotional, and physical growth of each individual child. We invite all campers to **wonder** about the world around them, **engage** in favorite and new activities, and **create** their own vision of summer bliss.

## Day Trippers (K-Grade 3)

We invite children in Kindergarten to Grade 3 to join us on daily adventures in our new Day Trippers program! Campers will embark on a new excursion each day to local attractions and favorite destinations. From splashing around at local water parks to greeting zoo animals face-to-face, each day presents a new world to explore. Field trips are planned on a two-week schedule and will be repeated every other week. Campers receive snack and lunch daily. Field trip admission and transportation fees are included in the price of this program. Campers may participate in group swim or private swim lessons for an additional fee. Campers are transported to the GWU Mount Vernon pool by bus.

## Field Trip List

### Week 1

- National Aquarium
- Pirate's Cove Water Park
- Adventure Park USA
- National Building Museum
- Animal Park

### Week 2

- Port Discovery
- Splash Down Water Park
- Scramble
- Mini Golf
- KID Museum
- and more!

## Valencia Voyagers™ Spanish Language Adventures (K-Grade 3)

Join us for Spanish language and cultural enrichment and summer camp fun! We'll explore different regions and wonders of the Spanish-speaking world each week. We'll play games and sing songs while we learn about the culture of Latin America and Spain. Our relaxed and activity-driven camp is highlighted by break-out language lessons (targeting different levels) and cultural lessons. For students new to Spanish, our first day begins in English, but we will quickly transition to conduct the camp solely in Spanish. Small class sizes and a 1:7 teacher-student ratio help us create a customized experience for both bilingual and non-bilingual children. Campers may participate in group swim or private swim lessons for an additional fee. Campers are transported to the GWU Mount Vernon pool by bus.

## Art Authors (Grades 2-3)

Join librarian, poet, and bookmaker Jamila Felton for an exciting exploration of book arts and creative writing. We will learn elements of art, writing, and a variety of bookbinding techniques. In The Natural World during Week 1, we will explore the wonders of nature. During Week 2 in Kids Like Me, we will explore the lives of children around the globe. We will explore abstract art during Week 3 in Art Is Alive. Let's come together to imagine, create, share, and make beautiful books! Campers may participate in group swim or private swim lessons for an additional fee. Campers are transported to the GWU Mount Vernon pool by bus.

## Kindergarten - Grade 3

June 25 - August 3

## Travel Around the World (Grades 1-3)

Join us, Summer Jetsetters! This program is designed to take campers around the world in three weeks, letting them experience diverse global cultures. Focusing on three countries—Brazil, Germany, and Uganda—campers in this program will be immersed in the art, food, music, and dance of these nations. Each day, we will learn native songs, common phrases, and games. We will create art projects and experience the food of these places, learning about what makes each country special. Campers will also hear from speakers about each of the nations. Get your passports ready, and let's travel together! Campers may participate in group swim or private swim lessons for an additional fee. Campers are transported to the GWU Mount Vernon pool by bus.

### Camp Day at-a-Glance

- 8:15 AM Arrival & Program Activity
- 9:00 AM Swimming
- 9:45 AM Morning Snack
- 10:00 AM Program Activity
- 11:30 AM Lunch
- 12:00 PM Indoor/Outdoor Recess
- 12:45 PM Program Activity
- 2:00 PM Afternoon Snack
- 2:15 PM Closing Activity
- 2:45 PM Pack-up & Dismissal

# Lower School Programs

Kindergarten - Grade 3

June 25 - August 3

## Minecraft Level I Design (Grades 1-3)

In this program presented by CodeREV, campers learn the ins-and-outs of level design and game design. We'll learn to engineer amazing contraptions and levels in Minecraft by using Red Stone and command blocks. Campers also code, build, and design architectural marvels as they dive deep into Minecraft's creative potential. This class offers thrills and education alike as campers explore their inner Da Vinci in a STEAM format perfect for Minecraft lovers. All necessary technology will be provided.

## Chess & Lego Robotics (Grades 1-3)

Join us for a week of STEM-based exploration and learning for inquisitive young minds through chess and robotics! Campers will learn all of the basic fundamentals of chess: the roles of each chess piece, how they move, their value, and how to name a square on the chess board. In robotics, campers dive into STEM education and work on a series of cool machines and robots. Our youngest robotic friends work with an introduction to simple machines including cars, boats, and windmills. Campers will also get to program their own robots through a computer drag-and-drop program. Campers may participate in group swim or private swim lessons for an additional fee. Campers are transported to the GWU Mount Vernon pool by bus.

## Kindergarten - Grade 3

June 25 - August 3

### EverWonder STEAMfest (Grades 2-3)

Join us, innovators, for camps where science, technology, art, engineering, and math collide! Teamwork, creativity, communication, collaboration, and critical thinking are a must at EverWonder's Summer STEAMfest at St. Patrick's. During Week 1, step right up and be a part of the EverWonder show with our circus theme. We'll discover the science behind an acrobat's greatest feats and design bridges for our elephants' feet. Team EverWonder will be chasing the gold during Weeks 2 and 3 as we celebrate the Olympic events. Week 4 encourages campers to glow crazy as we create our own colorful world in the dark! Campers will make their very own shimmering slime and use neon colors on things that fly. Week 5 will have campers complete superhero training, and Week 6 will close out the summer with a festive Summer Soiree! Campers may participate in group swim or private swim lessons for an additional fee. Campers are transported to the GWU Mount Vernon pool by bus.

### Coding Adventures (Grades 1-3)

In our Coding Adventures program led by CoedREV, campers build a variety of games, art, and animation using the power of code! Perfect for both beginner and intermediate coders, Coding Adventures has something for every aspiring coder as campers create unique experiences using both drag-and-drop code and real Javascript. All necessary technology will be provided.

Upper School Programs Grades 4 - 6

# Upper School Programs

Grades 4 - 6

June 25 - August 3

## Minecraft Level II Design (Grades 4-6)

In this program presented by CodeREV, campers learn advanced modding skills to engineer amazing contraptions and levels in Minecraft. Campers will learn more detailed code to build and design more complex architectural marvels as they dive deep into Minecraft's creative potential. This class offers thrills and education alike as campers explore their inner Da Vinci in a STEAM format perfect for Minecraft lovers. All necessary technology will be provided.

## Coding Adventures (Grades 4-6)

In our Coding Adventures program led by CodeREV, campers build a variety of games, art, and animation using the power of code! Perfect for both beginner and intermediate coders, Coding Adventures has something for every aspiring coder as campers create unique experiences using both drag-and-drop code and real Javascript and Python code for our more advanced grade levels. All necessary technology will be provided.

## 3D VR Game Design (Grades 4-6)

In this program presented by CodeREV, campers build amazing Virtual Reality video games using the Unity 3D platform, a widely used pro game-making tool, as they learn to code their games using real code. Then their games come to life, as campers dive inside Virtual Reality to explore them first-hand in a virtual environment that they created themselves! All necessary technology will be provided.

## Pottery, Painting, Pastels (Grades 4-6)

Join us, aspiring artists, for a summer of visual art exploration! This program, led by professional artists, focuses on a variety of art techniques. Campers learn how to mix colors, shade, and create dimension in their work while using acrylics, water colors, pastels, and oils. Campers will examine the works of various artists and learn to look for their own artistic inspirations in daily camp life. Young artists in this camp will also complete a pottery project from the beginning molding stages to the final glazing and firing. Campers may participate in group swim or private swim lessons for an additional fee. Campers are transported to the GWU Mount Vernon pool by bus.

## Art Authors (Grades 4-6)

Join librarian, poet, and bookmaker Jamila Felton for an exciting exploration of book arts and creative writing. We will learn elements of art, writing, and a variety of bookbinding techniques. In The Natural World during Week 1, we will explore the wonders of nature. During Week 2 in Kids Like Me, we will explore the lives of children around the globe. We will explore abstract art during Week 3 in Art Is Alive. Let's come together to imagine, create, share, and make beautiful books! Campers may participate in group swim or private swim lessons for an additional fee. Campers are transported to the GWU Mount Vernon pool by bus.

# Middle School Programs

Grades 7 - 9

June 25 - August 4

## Counselor-in-Training Program

---

Join us, Aspiring Counselors, on a summer mission that will include creating and facilitating mini-lessons for young children and embarking on field trips with other counselors-in-training. Along the way, we'll assist Head Counselors in the classroom and participate in challenges and collaborative activities to promote teamwork and leadership. Each morning, CIT's will meet with the CIT Mentor to discuss learning strategies in the classroom, activities for different age groups, and more. The Summer at St. Patrick's Counselor-in-Training (CIT) Program gives young people the opportunity to work with children and develop leadership skills in an enjoyable atmosphere under the supervision of the CIT Mentor and experienced teachers. *Space is limited.*

# Swim Program

## Nursery - Grade 6

### June 25 - August 4

Swimming is an enjoyable and potentially life-saving skill. We are committed to providing exceptional swim instruction to children in a safe, fun-filled, developmentally appropriate setting. Our private and semi-private swim program, headed by Manuel Benites, St. Patrick's physical education teacher and longtime swim instructor, is tailored to the individual needs of each child in order to build confidence, skills in the water, and independence.

## Private Swim Lessons

Private swim lessons are scheduled online for 30-minute blocks each day. Up to 10 children at a time enjoy the GW Mount Vernon swimming pool with their own instructor in swim blocks under the careful supervision of GWU lifeguards and the St. Patrick's swim staff. All instructors have prior swim teaching experience, and many are lifeguard-certified. Private swim lessons are perfect for non-swimmers, beginner swimmers, and intermediate swimmers. At the end of the week, parents are provided with a narrative of the child's progress and growth areas as well as photos taken from the child's class. There is an additional fee for Private Swim.

## Family Swim Lessons

We invite a parent, grandparent, or caregiver to join our young swimmers and our swim instructors in the water each day. Our swim staff provides the lesson and helpful tips for adults to continue the swim instruction at home. Family Swim offers a private or semi-private learning experience that features gentle water exploration and instruction to build young children's happiness and confidence in the water. We play games that introduce and reinforce water skills such as blowing bubbles, breath control, kicking, and floating. There is an additional fee for Family Swim.

# Swimming, Early Arrival, & Extended Day

Nursery - Grade 6

June 25 - August 3

## Group Swim Lessons

Campers who are beginner or intermediate swimmers are invited to register for group swim lessons. Children are grouped by swimming ability into small classes that are led by St. Patrick's instructors. The children's head counselors, assistant counselors, and counselors-in-training all provide important support, helping hands, and a watchful eye while children are in the water. All of the swim classes are taught by qualified, CPR-certified instructors, many of whom have additional lifeguard certification. Each day, children receive a 20-minute group swim lesson followed by 10 minutes of free swim. At the end of the week, parents receive a progress report. There is an additional fee for Group Swim.

## Free Swim

Campers who are already proficient swimmers are invited to register for Free Swim. Campers must pass a swim test in order to participate. During Free Swim, campers play in the shallow end, swim in the deep end, and practice dives. Free swimmers are supervised by two lifeguards at all times. There is no additional fee for Free Swim.

## No Swim

We understand that some children prefer not to swim and, instead, seek an indoor camp experience. Children who do not wish to participate in the swim program should select the "no swim" option in our online registration system. When other campers go to the pool, children who have selected "no swim" will have the opportunity to read and relax in our library or participate in an art activity with other campers.

# Swimming, Early Arrival, & Extended Day

Nursery - Grade 6  
June 25 - August 3

## Early Arrival & Extended Day

We invite campers in Kindergarten to Grade 6 to join us for Early Arrival and Extended Day. Early Arrival begins at 7:45 am daily and includes breakfast, supervised games, and activities before the start of the regular camp day.

Extended Day begins at 3:00 pm and ends at 5:00 pm daily. In addition to indoor and outdoor play, children will enjoy healthy snacks and a variety of activities, including read-alouds, arts and crafts, cooking projects, and games.

# Registration

---

## Online Registration

For your convenience, all camp registration occurs online. Please **visit [www.stpatsdc.org/summer\\_programs/index.aspx](http://www.stpatsdc.org/summer_programs/index.aspx)** to register your child. Once the registration process is complete, please upload a headshot of your child to his/her camper profile.

## Refunds

Any camper who has voluntarily withdrawn from the Summer Program on or before Friday, May 18, 2018, will receive a full refund, less the \$250 non-refundable registration deposit. The Summer Program must be notified in writing of withdrawal by May 18, 2018, in order for the camper to receive a refund. There are no refunds for absences.

## Additional Terms

We reserve the right to dismiss, without refund, any child who does not comply with the expectations of St. Patrick's Summer Program. There is no prorating of fees. Any application received after May 19 must be accompanied by a full credit card payment. There is a \$50 processing fee for returned checks. A \$50 late fee will be assessed to any camper with an outstanding balance as of May 19.

## Early Registration Discounts

Children who are registered for camp by February 15 are eligible to receive a 10% discount. During the online camp registration process, you will be asked to enter an early registration discount code in order to receive the discount. Please note that registrations after February 15 are not eligible for the early registration discount. If you encounter difficulty or have questions or concerns, please do not hesitate to contact Rhia Hamilton, Director of Auxiliary Programs, at [hamiltonr@stpatsdc.org](mailto:hamiltonr@stpatsdc.org).

## Immunization Records

To protect the safety and health of our participants, and in accordance with D.C. law, we require that all children attending Summer at St. Patrick's present proof of immunizations prior to **June 15, 2018**. Please check with your child's school nurse or healthcare provider for a copy of the child's 2017-2018 immunization record. For your convenience, we ask that you fax the immunization record to Summer at St. Patrick's, Attn. Rhia Hamilton, Director of Auxiliary Programs, at 202.342.7001. You may also scan and email the records to [hamiltonr@stpatsdc.org](mailto:hamiltonr@stpatsdc.org). For those children currently enrolled at St. Patrick's, a valid immunization record is already on file.

## What to Bring

Campers need to dress for indoor and outdoor play. We suggest that they wear shorts, a tee-shirt, and sneakers or closed-toe shoes. Campers may bring a tote bag or backpack containing sunscreen and a water bottle.

## Camp Office Contact Information

Please use the following information to contact the Camp Office:

Dr. Rhia Hamilton Director of Auxiliary Programs	202.342.2808

# Breakfast & Lunch

Campers enrolled in Early Arrival receive breakfast each morning. Healthy lunches and snacks are included in all full-day programs. Every day at 11:30 am, campers gather in our bright and air-conditioned Dining Room and sit with their homerooms to enjoy lunch. Bag lunches are provided to children when they embark on field trips. Our lunch provider, Ridgewells, prepares fresh and nutritious lunches for children. Should your child have a dietary restriction, please let us know by answering the health and lunch questions in our online registration so that we can accommodate your child's needs. This year, we have added more variety to our tasty lunch menu. If your child prefers to bring his/her own lunch, s/he may do so. Because we are mindful of children with allergies, we ask that you **please refrain from packing lunches and snacks for your child that contain nut products.**
