Head of School Report

Peter reported that the emerging secondary school placement results (with boarding results revealed today) have yielded excellent choices for the high school careers of this remarkable class. Peter expressed gratitude to Amy Yount, who oversees this process as Director of Secondary School Placement.

On the heels of the communication sent out last week, regarding the COVID-19 exposure at Christ Church, Georgetown, we are moving forward with some events and canceling others. Families involved with cancelled events have been notified. Additionally, a re-entry protocol will be in place for families coming out of self-quarantine which would involve a clearance from the school nurse. Remote learning areas have been bolstered to accommodate quarantined students. The school continues to consult with the CDC on best practices as we move through this dynamic situation.

Meeting adjourned at 9:29 a.m.

Respectfully Submitted,
Kelley Rogge
