Welcome and President's Report

Kit thanked all in attendance for volunteering and joining our zoom meeting. We are so grateful for the entire St. Patrick's Community. We are pleased to share we will begin to invite parents to in-person Chapels. Vaccinated parents will be invited by grade level and your teacher will be reaching out with reminders along as dates will be shared in the Houndstruth.

Head of School Report

Peter Barrett reported on several initiatives to draw current and prospective parents onto campus in ways that would be consistent with existing COVID-19 protocols.

Another pandemic update will make masks outdoor optional in accordance with all the COVID-19 health updates. Unvaccinated students will continue to be required to wear masks both inside and out. We will continue to test regularly for students on campus. St. Patrick's is no longer requiring families to complete the Magnus Health Survey each morning.

We are pleased to share Family Fun Day is back on the school calendar for May 14th to be held outdoors and on campus. We will be seeking volunteers to assist us with the celebration, so please keep an eye on these announcements.

Our annual Auction is scheduled to return to the new date of April 23rd with an in-person BACK TO THE 90's themed celebration to raise funds for our IDEALS Fund-A-Scholar Auction Event. If you have ideas for sponsors or donations, please reach out to event Co-Chairs Elizabeth Engel, Shannon Powell McCarter, Tashia Senn- Jones and their amazing Auction Committee, as they plan an exciting and inspiring evening.

Respectfully Submitted,
